- ▶ Have your cards printed with the traditional high quality of 4 color printing, or try our 6 color printing for the best quality available in a Press Printed Product
- ▶ Orders are produced in packs of 25.
- ▶ Envelopes included with 4x5½, 5x5, and 5x7 cards. Premium Watercolor surface envelopes are optional.

Choose from 11 paper options, including UV Coated and "Green" papers:

- ▶ **Semi-Gloss Smooth** - This is our most popular paper for greeting cards. It is a 110# smooth paper with a glossy coating that really helps your images shine, especially when combined with our 6-color printing. Add UV Coating for additional gloss and protection.
- ▶ **Matte "Green"** - Be environmentally conscious AND look great! This beautiful smooth 110# paper is 100% recycled and is ideal for any press printed situation, from cards to calendars.
- ▶ **Pearl Metallic** - Enhance your greeting cards with the cool sparkle of ice. A great paper to make your images pop! Also available with UV Coating for added shine and protection.
- ▶ **Art Linen** - Our 90# linen textured paper adds style and elegance to your press printed products.
- ▶ **Art Linen "Green"** - The fine linen texture on this 80# paper adds a feeling of quality and elegance to your cards. This paper contains recycled fibers and is created using wind power.
- ▶ **Art Watercolor** - The fine art feel of our watercolor paper makes it a stunning choice for any image. The texture adds a unique depth to your cards.
- ▶ **Art Stipple "Green"** - A finely textured specialty paper for showcasing your images. This uncoated paper is great for folding cards, and it contains recycled fibers.
- ▶ **130# Semi-Gloss** - This heavier stock smooth paper is an excellent choice for flat cards. Also available UV Coated for added gloss and protection.

Have your return address printed on your 4x8, 5x5, 5x7, or 4x5.5 envelopes for a truly custom Holiday Card presentation! Envelope Imprinting is available on envelopes for Press Printed or Traditional Photo Paper cards, and can be done in a variety of colors and fonts.
